

# The Cinderella Project

The Cinderella Project is an organization that collects gently used prom and dance dresses for girls who are not able to afford one on their own. The girls are recommended to The Cinderella Project by their high school counselors. Once recommended, the girls are able to go to the boutique that is set up by The Cinderella Project to pick out a beautiful dress and accessories for their big day.

To date, Rockwood has come together and donated well over 800 dresses. Help us make girls all over the St. Louis Area's dreams come true!

**COLLECTION DAY:  
NOW UNTIL FEBRUARY 10th**

Bring to school's front office for pick up! Dresses can still be donated after this date and will be used for next year's Cinderella Project.
