News From The Principal

Dear Falcon Families,

As of **Wednesday, Nov. 29, Progress Reports are available in Infinite Campus.** You can check your child's Progress Report via the Infinite Campus Parent Portal. Go under "Reports" and choose "Progress Report Sem 1" to see a summary of your child's grades. Your child's up-to-date grades are always available by clicking on the gradebook icon in each course on your child's schedule. Progress Reports will be mailed home to families that have not registered for Infinite Campus. If you wish for your child's Progress Report to be mailed to your home, contact Julie Davis, registrar, at 636-891-6835.

First semester ends Thursday, Dec. 21. Twenty percent of the semester grade comes from the Final Exam. Finals begin Monday, Dec. 18. We have about 2 ½ weeks of class before finals begin. We thought this would be a good time to share information with you about ways to support your child academically as they finish the semester.

As we work toward the conclusion of first semester, your child should **take time to view his/her second semester schedule in Infinite Campus.** We will not be printing and distributing schedules. **Students who have issues with their second semester schedule should see their guidance counselor before Winter Break.** (Preferably before Friday, Dec. 15.)

We value your partnership in your child's education. Please continue to communicate with teachers, counselors, and principals about any concerns you have.

With Falcon Pride,

Renee Trotier

How to get help at Rockwood Summit

Smart students ask for help! We want all of our students at Summit to succeed academically, and we are happy to provide extra assistance to make sure that happens.

Who to contact?

- Always start with your **teacher**. E-mail is the best way to contact teachers. Teachers can be e-mailed through our website located on the [Staff Directory](#). Teacher e-mails

are also available on the “Contacts” tab of the Rockwood App. Of course, you can always call and leave a message for a teacher to return your call.

- **Guidance counselors** and **grade-level principals** can also help.
- Contact **Mrs. Kottman** in the Guidance Office to get set up with an **A+ student tutor** in any subject.

Where to go?

- The **Math Lab** is open during the school day as well as Tues.-Fri. before school and Mon.-Thurs. after school. Look for the yellow “Math Lab” arrow on the third floor to get help from the math teacher on duty. No appointment necessary.
- The **Writing Center** is open every day during hours 1-7 to get language arts help or help writing in any subject area.
- **Academic Lab** is open during the school day to make up tests and assignments. The Academic Lab is also open before school beginning at 7:30 a.m. and after school from 3:15-4:15 p.m. every day.
- **A+ Tutors** are standing by in the Library to help after school.
- The **Library** is open from 7:30 a.m.-4:15 p.m. Mon.-Thurs. and 7:30 a.m.-3:15 p.m. on Fridays.

See page 20 of the [Rockwood Summit Student Handbook](#) for more specific information and some tips on habits to increase academic success.
