Hello Selvidge Families,

Since September, more than 400 Rockwood school community members have attended workshops to study the challenges we face as a district, and provide input on solutions. As a result of this input, two pictures or scenarios that represent the potential future of Rockwood schools, have been developed. The highlights of the pictures that received consensus from workshop participants can be found on the Picture Rockwood website. Before they can make a final recommendation to the Board of Education, they need to hear from YOU. Please take the time to go to www.picturerockwood.org, or simply click on the 'Picture Rockwood' box on any Rockwood School District website, and learn about the process they've gone through, and about these final two scenarios they are trying to get 'just right'. Then take the time to give your feedback! Making your voice heard is critical in this process. All feedback on these two scenarios must be received by December 14th! There will be a final community workshop on Monday, January 7th; you can attend 9:30-11:30am or 7:00-9:00pm. If you have any questions, please don't hesitate to ask.

Please consider joining us for our next PTO meeting: December 5th at 6:30 pm
