- In order for your student to qualify for the A+ Program they must meet the following criteria:
 - Have a signed A+ participant agreement on file in the A+ office. 
 - Graduate from an A+ designated high school and attend an A+ designated high school for two years prior to graduation. **Beginning with class of 2020.*
 - Graduate with a non-weighted, non-rounded cumulative GPA of at least 2.5 on a 4.0 scale. 
 - Maintain at least a 95% cumulative attendance record in grades 9-12. 
 - Perform 50 hours of unpaid mentoring and/or tutoring for Rockwood students at a Rockwood site under Rockwood supervision. Tutoring must be pre-approved by the A+ coordinator and students must complete tutor training prior to counting their hours for the A+ program. 
 - Maintain a record of good citizenship and avoid the unlawful use of alcohol and drugs. 
 - Have fewer than six cumulative days of in or out of school suspension in grades 9-12. 
 - Score advanced or proficient on the Algebra 1 End of Course Exam. This is regardless of the grade level at which the Algebra EOC is taken. 
- Upon completion of senior year, final grades and final tutoring hours will be entered. Cumulative GPA will be calculated based off of final semester grades. Attendance will continue to be entered until seniors last official day of attendance. Once this updated data is entered, A+ Status will be changed to “Eligible Graduate” provided all A+ criteria has been met. 
- If you have any questions, please contact your A+ Coordinator
