- [Visit this website](#) and use your mouse to slide the selector tool  until you have dragged the selector to your specific score for each subject test. Once you enter all four of your raw subject scores your overall composite score will be displayed in the blue box on the right. See the screenshot example below.

# LHS Instructions for Accessing your Practice ACT Results.

The screenshot displays the 'Practice ACT Score Calculator' interface. At the top right, there is a 'Year' dropdown menu set to '2020-2021'. Below the title, there are two buttons: 'Benchmark Met' (green) and 'Benchmark Not Met' (red). The calculator consists of four rows, each for a different subject:

- English:** 'Select your English Raw Score' with a slider from 0 to 36. The current value is 19, resulting in an 'English Scale Score' of 19 (green button).
- Math:** 'Select your Math Raw Score' with a slider from 0 to 25. The current value is 19, resulting in a 'Math Scale Score' of 19 (green button). A callout box with an arrow pointing to the slider knob says 'SLIDE THIS'.
- Reading:** 'Select your Reading Raw Score' with a slider from 0 to 15. The current value is 14, resulting in a 'Reading Scale Score' of 14 (red button).
- Science:** 'Select your Science Raw Score' with a slider from 0 to 31. The current value is 25, resulting in a 'Science Scale Score' of 25 (green button).

On the right side, a large blue rounded square displays the 'Overall Composite Score' of 21.
