

2021 Holiday Wish Giving

RIDGE MEADOWS ELEMENTARY

Dear Ridge Meadows Families,

The winter holidays are drawing near, and it's time to begin our school-wide winter service project. Each year, the Ridge Meadows community supports Rockwood families-in-need by making a Holiday Wish List become a reality. The Ridge Meadows Family has been very generous and caring in their support of this program! This year we hope to support more families with our Holiday Wish Giving Program than ever before as our community continues to be impacted by COVID-19.

This project draws on the traits of perseverance, effort, and caring. It also creates an opportunity to show kindness and support for both family members and the school community. Benefiting from the synergy of the entire school working together for a common goal, our school can make a much appreciated positive impact in the lives of others.

Cash Donations will be accepted Monday 11/15 through Friday 12/3. All specific wish list items can be found via Sign-Up-Genius.

We will also be accepting donations of wrapping paper, gift bags, ribbon, bows, and tape.

Thank you for your support and generosity!

Thomas Robins & Taylor Decker
School Counselor & School Social Worker

**SIGN UP GENIUS
COMING OUT SOON!**

Check back for an email after November 29th for our Holiday Wish Sign Up Genius. This is where you will be able to select items to purchase for a family in need. All items need to arrive to Ridge Meadows by Monday December 13th.
