

Marquette Soccer Mission Statement

MHS Soccer will strive to be the best we can be on the field and off!

We will always play with integrity and honor, respecting our opponents and the game itself!

We will play as a team, selfless and committed to “collective success”!

We will give 100% of our effort to make ourselves and our teammates the very best they can be!

We will be proud to be part of the Marquette Mustang Soccer Program!

We believe that our experience playing soccer at MHS will develop young adults that will carry their lessons of hard-work, integrity, honor and respect, teamwork, and honesty into every aspect of their lives, helping them to be contributing members of our communities.
