

Marquette Field Hockey Program Mission Statement

All of us coaches involved with the Marquette Field Hockey program are committed to helping our student athletes be successful on and off the field.

We are committed to develop skillful, responsible and respectful individuals who can succeed in the classroom, on the field and outside of the high school setting.

We aim to achieve our mission by developing and pushing all players to be the best they can be, providing them with opportunities to be leaders for their teammates and teach them how to respect each other, their superiors and the game.

We are committed represent our program and our school with confidence, enthusiasm, respect and pride in who we are and what we are doing.
