

## MISSION STATEMENT

The goal of the Marquette Football Program is one in which emphasizes the development of the total person through hard work, sportsmanship, ethical conduct, and fair play. The foundation, which is based on communication and respect among all members of the football program. We will strive to serve as a positive, powerful, productive force for the team, school, and community, and most importantly the student-athlete.

**S**

### **To Provide an Attractive Program for the Student-Athlete:**

Make player safety and welfare our highest priority

**E**

Provide the student-athlete with an enjoyable and rewarding experience

**V**

### **To Create Both Physically and Mentally Tough Athletes:**

This toughness will stay with them for the rest of their life

Offer a committed, essential, and intense Strength and Conditioning Program

**I**

“When two people collide on the field, weight room wins!”

**T**

### **To Teach the Game of Football:**

Specific football skills and strategies

**C**

Sportsmanship, ethical conduct, and fair play

**E**

### **To Be an Integral Part of the Secondary School Curriculum:**

To stress the importance of self-discipline in both the classroom and the field

**D**

Dignity, worth, and self-esteem are achieved through hard work

Morale, satisfaction, and performance are enhanced when athletes work together

**B**

### **To Make the Football Program a Source of Both School and Community Pride:**

**O**

Help each athlete interact positively with the faculty, community, and fellow students.

Make the team a positive influence on all who come in contact with it.
