

## Marquette Color Guard & Winter Guard

### Program Mission Statement

The Marquette Color Guard & Winter Guard Program provides young women and men an opportunity to be a part of a rewarding group of hard working individuals that work together in order to develop their skills in dance, flag, saber, & rifle. It is a chance to travel and see many performance groups at various levels of ability.

The overriding goal of our program is to foster a positive, confidence building experience for all who participate by promoting creativity, camaraderie, leadership, respect, and freedom of expression through pageantry and the performing arts.
