

Supply List

2021 – 2022

Rockwood South Middle
School

Important Information For All Classes

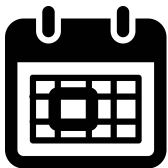

Additional supplies may be needed depending on the teacher's needs. Students will be informed of any additions at the beginning of the school year. Please purchase items below in individual amounts for your student. If you are able to purchase hand sanitizer for your student, that is ideal.

*A **backpack or bookbag** is optional, yet recommended, for all grade levels. **Students will not have access to lockers, therefore backpacks will be permitted in the classrooms.***

*A **chromebook sleeve** is optional, yet recommended, for all grade levels. These sleeves can be used to transport your chromebook from class to class and may provide the necessary support in your backpack to ensure the chromebook doesn't get damaged.*

*A **Planner** is optional, yet recommended for all grade levels. Often students devise their own system either through technology or pen to paper. Whatever process you use, have a planner of some kind to keep your assignments in order.*

If you are in financial need for school supplies, please contact RSMS Student Services and speak to the grade-level counselor or the social worker.

If you are interested in donating school supplies, our highest needed items include ZIPPER BINDERS (gender neutral if possible), headphones/earbuds, calculators and combination locks. Please drop these items off at the front office addressed to the Student Services Office.
