

STUDENT PORTAL INFORMATION

Infinite Campus is Rockwood's web-based student system. One of the features of the system is a web PORTAL that provides parents and grade 5-12 students with system access to information such as assignments, grades and attendance. We believe that this system is a valuable tool and encourage both students and parents to use it to their full advantage.

Students (grades 5-12) can access the Campus Portal by going to the Rockwood web site <https://www.rsdmo.org> and clicking on the Infinite Campus link. Another option is to enter the following web address in your browser address window: <https://rockwoodmo.infinitecampus.org/campus/portal/students/rockwood.jsp>

Students must click on "Login with RSD Google Account" to login to Infinite Campus Student Portal.
