APPLICATION FOR 2ND SEMESTER SENIOR PART-TIME ENROLLMENT

Student Name: _____ Student Number: _____

Under certain circumstances, second semester seniors may have the option to request to enroll in only the remaining course(s) needed to meet graduation requirements. This option could allow students to take a reduced schedule, resulting in part-time enrollment status.

Part-time enrollment does have risks. It is the responsibility of the student and parent to check if part-time enrollment status affects the following (including, but not limited to this list of examples):

- MSHSAA eligibility
- NCAA eligibility
- College Admissions requirements
- Scholarship and Financial Aid requirements
- Insurance benefits
- Government benefits
- A+ Program eligibility

By signing below, it is understood that the student may be scheduled for only those courses needed to meet graduation requirements. Students and parent understand that once the scheduled course(s) period ends, the student leaves campus and is not permitted back on campus during school hours without permission from an administrator.
